

SAPCON

SOUTH AFRICAN PRESERVATION AND CONSERVATION GROUP

A meeting of SAPCON West will take place on Thursday 25 March at 14h00 in the Conference Room of the National Library of South Africa (Cape Town), Queen Victoria Street.

There are three very important items on the agenda:

1. June Hosford will report on the report sent by SAPCON to the Department of Arts & Culture, following the symposium in 2008.
2. June will discuss her contribution at the symposium
2. Rayda Becker will talk about plans for a regional conservation facility at the University of Stellenbosch.

-
- During 2010, meetings will include a report by Douwe Drijfhout on the deacidification facility at the National Library in Pretoria and an update on brittle books.
 - We also plan a workshop on vendors and facilities available in the event of disasters and the agreements institutions should have in place with such vendors.
 - We welcome any suggestions for other meetings or offers to present at our meetings.

Please contact Lesley Hart (lesley.hart@uct.ac.za or 021 650 4424) if you are able to attend. Please feel free to send this invitation to any interested persons, as we would like to increase our membership.
